Check In Time: _____ Comments: _____

University District
1200 Hilyard St. Suite 330
Eugene, OR 97401

RiverBend Center
3377 RiverBend Dr. #150
Springfield, OR 97477

CT Scan (Computed Tomography Scanning) uses a x-ray beam to produce cross sectional images of the body. This provides high resolution images of both bone and soft tissues. Depending on the type of scan your physician has requested, you will be given an oral contrast to drink and/or an injection of IV contrast as part of your exam.

If you have any questions regarding your exam, please feel free to call us:

General Scheduling: (541) 334-7555 ♦ **TF:** (888) 968-7608

Fax Orders: (541) 334-7564
